**DETAILED ACTION**

1. This action is responsive to the Applicant's response filed 10/29/08.

As indicated in Applicant's response, claims 10, 21, 32, 43 have been and claims 10, 12, 14, 16-21, 23, 25, 27-32, 34, 36, 38-44, 46, 48-56 are pending in the office action.

***EXAMINER'S STATEMENT OF REASONS FOR ALLOWANCE***

2. Claims 10, 12, 14, 16-21, 23, 25, 27-32, 34, 36, 38-44, 46, 48-56 are allowed.

The following is an examiner's statement of reasons for allowance.

The amendments effectuated in the response fulfill the needed and previously proposed subject matter change towards allowing this case, the proposed change having been discussed in the course of and history of communication instances between the Examiner and the representative. The amended claim language regarding a particular communication between the master node and a booting node in conjunction with the arguments presented in the above response have been deemed sufficient to overcome the previous Office Action rejection, which were to address a previously claimed scenario about verifying of version information by the target node.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
